## Philippine Women's University (PWU)

Recognized as the first university for women in Asia founded by Asians, the Philippine Women's University (PWU) offers the Expanded Tertiary Education Equivalency and Accreditation Program or ETEEAP. The PWU ETEEAP is a structured program with a fixed curriculum and no set class schedule where our Full Phils scholars can engage in research activities under the guidance of qualified professors. This program allows working professionals to attain an undergraduate degree in a compressed academic year based on proven skill, prior education, and working experience. To know more, go to [www.pwu.edu.ph](http://www.pwu.edu.ph).
